THE NEWSLETTER OF LIVING WATER MINISTRIES

FALL 2021 | THE WORK OF RESTORING COMMUNITY

RESTORED BY COMMUNITY TO RESTORE COMMUNITY

Every program we offer at Stony Lake is free in 2022!

I'm still getting my mind around this fact.

As I think back to the onset of this pandemic in March of 2020, I would have never imagined I would be opening this newsletter with that statement after two years of program cancellations. Truth be told, I would have wagered that I'd instead be sharing with you that Living Water Ministries suffered severe financial losses and staff layoffs.

But that hasn't been our story.

Instead, our story has been about the power of community and what can be accomplished when we come together as people of faith.

When the Living Water Ministries Board of Directors decided to cancel our 2020 summer season, I had projected for them that our financial losses would possibly exceed \$200,000.00 for the 2020 fiscal year. Despite this sobering reality, the board leaned into our mission and core values, prioritizing the safety of the communities we serve over and above any financial losses we would potentially suffer.

However, those financial losses never materialized. Instead, the Living Water Ministries community rallied unprecedented financial support. Donations received in 2020 increased 108% over the year prior! This surge in generosity, combined with a PPP loan and interest earnings from our investment with the ELCA Pooled Trust (which holds the proceeds from the sale of Michi-Lu-Ca), meant that we ended the 2020 fiscal year with no financial losses!

From this position of financial stability, the Living Water Ministries Board of Directors was again faced with a decision about our 2021 summer programs. As before, I presented a financial forecast that now called for approximately \$170,000.00 in financial losses in the event of cancellation. Again, the board leaned into a priority for the safety of the communities we serve over and above the pain of projected financial losses. Again the Living Water Ministries community

responded with remarkable generosity, and as a result we are also projecting an end to the 2021 fiscal year with no financial losses!

The generosity we have received has been a powerfully stabilizing force for Living Water Ministries and is a testament to what can be accomplished when community is prioritized. The generosity we have received has also laid the groundwork for the Living Water Ministries Board of Directors to dream about how we might return to summer programs in 2022.

Inspired by the generosity of so many throughout this pandemic, and with an intense commitment to community over and above financial risks, the board decided to make camp a gift freely given to all for the summer of 2022! What this means is that there are no registration fees for any program occurring at Stony Lake in 2022. In addition, each camper will receive a complimentary t-shirt and snacks from our camp store!

Making camp a gift freely given certainly invites new financial risks. In order to mitigate these risks, we are engaging congregations across the lower peninsula of Michigan, inviting them to financially support God's work restoring community through this free camp effort. We are extremely grateful for the generosity we have received, and we stand in awe of what can be accomplished when we lean into the power of community for the sake of the gospel.

THE GIFT OF CAMP FREELY GIVEN

NO REGISTRATION FEES AT STONY LAKE IN 2022!

Making camp a gift freely given to all raises some questions. We've compiled a few of them we've been asked, along with our responses. You can also learn more at www.elcalivingwater.com/giftfaq/

ARE THERE REALLY NO REGISTRATION FEES?

Not a single camper will be charged a fee to attend.

WHY ARE YOU DOING THIS?

Answer 1: Prior to the pandemic, Living Water Ministries was awarding approximately \$50,000.00 per year in scholarships to campers otherwise unable to attend. Making camp financially accessible to all feels like a natural evolution of our outreach approach.

Answer 2: The COVID-19 pandemic has interrupted well established patterns of participation for families, congregations, and partner organizations. It is our hope that the gift of camp freely given will help reestablish these connections as we return to programs.

Answer 3: Our partner organizations and congregations were also impacted by the COVID-19 pandemic. It is our hope that the gift of camp freely given might help reinvigorate local youth programs and be used as an outreach tool by our partners and congregations.

WHEN DOES REGISTRATION OPEN?

Registration opens December 1, 2021 for students attending from partner organizations and congregations. Registration opens February 15, 2022 for the public.

WHO REGISTERS CAMPERS TO ATTEND?

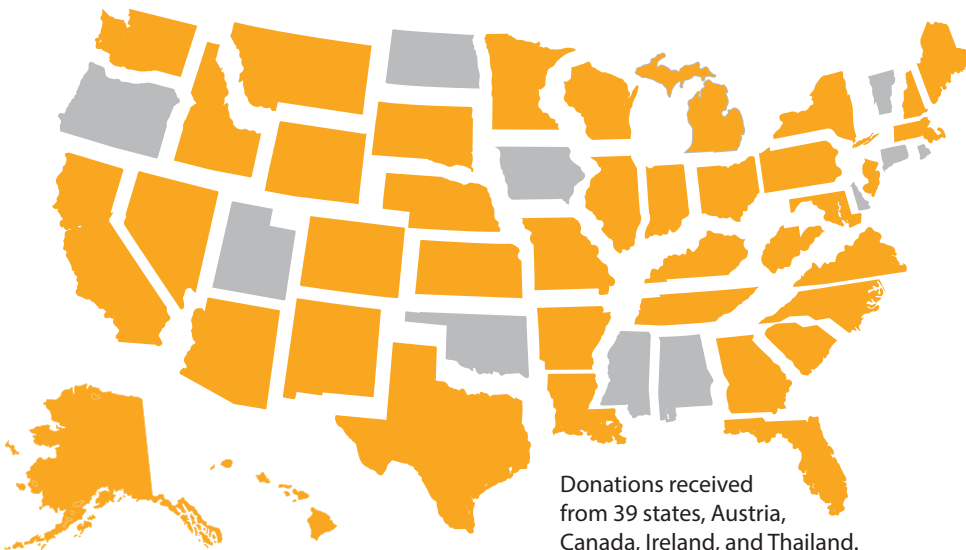

Parents or guardians must register their own children.

MANY FEET MAKE LIGHT THE WORK

The Living Water Ministries community showed up in a big way to support our annual fundraising “Run the Race” relay race. Not only did we gather the largest community of runners and volunteers we’ve ever had directly involved in the event, but we were also supported by the largest community of donors ever to support these efforts! 36 runners, 19 volunteers, and 846 donors rallied together to raise over \$108,000.00 for Living Water Ministries! In addition, this community of runners, volunteers, and donors was gathered across 39 states and 4 countries outside the USA!

As a result of the commitment and generosity of so many, Living Water Ministries has been able to navigate these strange times of pandemic without incurring financial losses. In 2022, our focus at Living Water Ministries will be on restoring community as we return from two years of program cancellations as a result of COVID-19. Because of the stability provided by the Living Water Ministries community through our “Run the Race” efforts, we step into the future boldly pursuing our mission that calls us to bring together all of God’s children for faith-filled experiences of service, leadership, and community.

BIG FEET. BIG CAUSE.

Our team captains Chris Paliewicz, Nicole McCarthy, and C.J. Clark raised an additional \$8,421.78 toward our goal, and as a result had to wear a terribly ridiculous foot costume for one of their runs! A joyously sweaty time was had by all!

A NEW SPACE TO RESTORE COMMUNITY

Construction of our new duplex cabin continues! This duplex cabin will feature electric baseboard heat, in-cabin bathrooms with private toilets and showers, and a great room equipped with a kitchenette. Once completed, this facility will house up to 24 people with bunk-style accommodations.

Perhaps the most powerful experience of community available to our campers is the community that is formed in cabin groups. It's in the cabin group that each camper literally learns how to live alongside other people with stories that may differ from their own. It's in the cabin group where friendships are forged, where faith is explored through nightly devotions, and where campers experience Christ's love in and through each other.

As we look to our 2022 summer season and beyond, we do so with great excitement for how this new addition to our facilities will assist our efforts restoring community for years and years to come.

CABIN LIFE

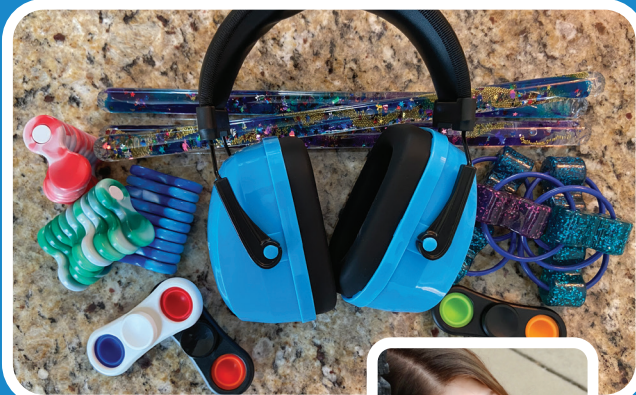

Living in intentional community for a week provides the opportunity to play together, laugh with one another, overcome challenges alongside each other, experience God together, and listen to each other's stories. In the cabin, memories are made that can last a lifetime!

CREATING INCLUSIVE FAITH COMMUNITIES

featuring Madelyn Smith

During the fall of 2021, Living Water Ministries invited a handful of young adults to create impact in the world with a \$200 mini-grant. Madelyn Smith from Bethlehem Lutheran in Lansing, MI stepped up to the challenge, requesting funds to create sensory toolkits for congregations to offer inclusion and support for neurodivergent members.

Madelyn was inspired to work toward creating a more inclusive environment at churches for neurodivergent people because of her participation in the LINKS program at her school. Through the LINKS program, Madelyn is paired each semester with a student with autism. This experience has shown her how impactful sensory objects can be to relieve stress through the addition or subtraction of sensory input. It's Madelyn's hope that these toolkits can support relationships between congregations and members who might need them.

EXTRAORDINARY ORDINATION

featuring Kristin McCarthy

November 19, 2021 Kristin McCarthy was ordained to the ministry of Word and Sacrament in the ELCA. Pastor McCarthy is a Living Water Ministries alum, serving on summer staff at Michi-Lu-Ca in 2014, and on summer staff at Stony Lake 2015-2017, and 2019. We are honored that Pastor McCarthy cites her time with Living Water Ministries as one of the influential factors in her discernment to answer God's call to rostered ministry.

Pastor McCarthy is passionate about the gospel's emphasis on inclusion and justice for the church and world, and will be serving alongside Pastor Joel Brandt at Good Shepherd Lutheran Church in Royal Oak, Prince of Glory Lutheran Church in Madison Heights, and Trinity Lutheran Church in Clawson. Pastor McCarthy lives in Farmington Hills with her wife Nicole and their son Parker.

REMARKABLE GENEROSITY. LIFE-GIVING COMMUNITY.

The generosity Living Water Ministries has and continues to receive has been transformational for our ministry. In the midst of two years of program cancellation as a result of the COVID-19 pandemic, the stability provided by our donors has had life-giving implications. The gifts we've received have inspired the gifts we now give as we focus our efforts on restoring community through our return to programs in 2022. Thank you!
